REMARKABLE TEAM MEMBER?

JOB DESCRIPTION: CNC Lathe Machinist
Vacancy Status: Role is for an existing vacancy
Business: Home Medical Assistive Products Manufacturer

HealthCraft Group is looking for a **CNC Lathe Machinist (Intermediate Level)** to join our growing team.

WHO WE ARE:

HealthCraft Group is a leading Canadian based designer and manufacturer of fall prevention safety solutions for loved ones at risk of a fall in their living space. You will find our products worldwide in over 25 countries helping millions of loved ones daily. Put simply, we are on a mission to make every space a safer place through Fall Prevention Simplified.

WHERE WE ARE HEADING:

HealthCraft is in growth mode and building for the future, which is where you come in. We are searching for a **CNC Lathe Machinist (Intermediate level)** who can bring this mission critical position to the next level and beyond. Buckle up, the position is fast paced and demanding with expectations that you fit and thrive within our unique HealthCraft culture. Come to work every day knowing that what you do matters. HealthCraft changes lives, let it change yours. If you think you fit and have grit, continue reading.

SUMMARY:

Reporting to the Production Manager, the **Machinist** is considered a mid-level position with an opportunity to progress provided the individual demonstrates an interest and willingness to learn new skills. The **Machinist** will be required to perform tasks involving physical labour. Responsibilities will include the operation of large machinery, along with hand and power tools. Working within safety protocols along with workplace policies and procedures is mandatory.

YOU ARE:

- Reliable and punctual
- Hard working, focused on production in a fast-paced environment
- Able to work in physically demanding environment
- Keen attention to detail
- Quick to learn
- Positive contributor to the team attitude and corporate culture with alignment to core purpose
- Perhaps currently held back in the realization of your career potential

YOU ARE NOT:

- A “status-quo is good enough” kind of person

REQUIREMENTS INCLUDE:

- 5 - 10 years of experience working with various CNC lathes with sub-spindle and live tool is a **MUST**. Haas, and Fanuc controller knowledge is a **MUST**.
- Experience with bar feeder is an asset
- Experience with vertical milling machines is a must. (high level skills **not** required)
- High School Diploma, GED or equivalent
- Good math and problem-solving skills
- Comfortable working with machinery and tools and the ability to operate equipment/machinery in a safe and responsible manner
- Consistent quality work with minimal rework/scrap
- Prior experience using various measuring equipment
- Knowledge of various tooling, applications, and usage
- Effective communication skills, English; verbal and written
- Knowledge of workplace safety guidelines
- Safety Footwear

BONUS POINTS IF YOU HAVE ANY OF THESE:

- Experience with Swiss lathes (specifically with Star) is an asset
- Experience working with ISO, quality assurance systems
- Familiar with 5S and Lean Manufacturing principles
- Creative passion(s) such as musical instruments, visual arts, written word
- A history in competitive team sports
- Experience with assistive products or care for older adults / accessibility
- A community service / volunteering history

JOB RESPONSIBILITIES:

- Manufacture high quality, precision metal parts by operating CNC Lathes with sub-spindle and live tooling and CNC vertical milling machines
- Set up and operate CNC lathes accurately **in short times**
- Ability to run 2 CNC lathes with bar feeder
- Ability to QC first offs and parts to fit tolerance specifications
- Good with drawings and understanding of GD&T
- Determine and prepare tooling and fixtures
- Perform daily maintenance on lathes, milling machines and other shop equipment
- Move / handle steel parts using carts and pump truck
- Operate band saw
- Use hand tools to grind, sand and file parts
- Operate drill press and punch press

- **Performance targets (fast paced) related to time and quantity per part**
- General housekeeping
- Compliance with all safety guidelines
- Compliance with all HealthCraft policies and procedures

WORK CONDITIONS

- Job requires ability to work with a variety of hand and power tools
- Ability to lift objects up to 50 lbs
